

# CURRICULUM VITAE

**Gizem Keskin**

gizem.keskin@ubc.ca  
+1 607-279-1119

## EDUCATION

---

- Ph.D. 2020 September - 2024 August (Expected Graduation Date)  
University of British Columbia, Okanagan, Psychological Sciences  
Transferred from Purdue University to the University of British Columbia, Okanagan in 2020
- 2019-2020 Completed first year of Ph.D. training  
Purdue University, Human Development and Family Studies
- Master of Science 2017-2019  
Utrecht University, Development and Socialization in Childhood and Adolescence Master's Programme, Utrecht, the Netherlands.
- Bachelor of Science 2012-2017 (with honours)  
Middle East Technical University, Department of Psychology, Ankara, Turkey.  
I graduated with high distinction as a top second student in the Psychology Department.  
CGPA: 3.97/4.00

## SCHOLARSHIPS AND AWARDS

---

- December 2023 – May 2024 Friedman Award for Scholars in Health  
**\$38,362.00**
- This award supports me to be a visiting scholar at Cornell University under the supervision of Dr. Anthony Ong for 6 months. I conduct research regarding the precursors of affect dynamics in adolescence and adulthood utilizing intensive longitudinal methods.
- 2022-2023 Academic Year Outstanding Student of the Year Award
- Each year Psychological Sciences Graduate Program at the University of British Columbia, Okanagan recognizes the accomplishments of the most successful graduate student in which all faculty members in the program are involved in the selection process. I received the 2022-2023 Outstanding Student of the Year Award.

September 2020 – April 2024	University Graduate Fellowship <b>\$28,582</b>
September 2020 – April 2023	The International Four-Year Doctoral Partial Tuition Award <b>\$11,799</b>
January 2023	Faculty of Art and Social Sciences Graduate Student Travel Award: Conferences <b>\$1,500</b>
February 2022	Faculty of Art and Social Sciences Graduate Student Travel Award: Workshops Up to <b>\$2,500</b>
2017 September – 2019 June	Utrecht University Social and Behavioral Sciences Excellence Scholarship <b>10,500 €</b> and reduction of the non-European tuition fee (15,575 €) to the European tuition fee (2,060 €)
2016 February – 2016 June	Turkish Prime Ministry State Planning Organization, Center for European Union Education and Youth Programs, Erasmus Scholarship University of Groningen, Groningen/the Netherlands <b>€ 2,400</b>

## COMPLETED AD-HOC REVIEWS WITH MENTORSHIP

---

Journal of Family Psychology (2 reviews), Developmental Psychology (1 review), Emotion (1 review), Journal of Adolescence (1 review)

## RESEARCH ASSISTANTSHIPS AND INTERNSHIPS

---

- 2021 May - Present      Paid research assistant at Emotion Dynamics Lab at the University of British Columbia, Okanagan under the supervision of Dr. Jessica Lougheed.
- As a senior PhD student, I am involved in various projects (i.e., experimental, observational, and experience sampling studies) and have been working on various stages of research from literature review to designing studies, data collection, and distributing results.
- 2023 March -  
2023 December      Paid research assistant at the project “Suicide Initiatives in ED: A Collaboration between UBCO, IH, and CMHA BC” under the supervision of Dr. Lesley Lutes.
- As the leading research assistant of the project, I supervise the undergrad student research team, manage the project budget (**\$75,000**), develop audit tools, collect data, analyze data, and report the results of the data to make evidence-based recommendations to improve suicidal screening and acute and aftercare of patients with suicidal thoughts and behaviors in emergency departments.
- 2019 August -  
2020 May      Paid research assistant at Family Dynamics Lab at Purdue University under the supervision of Dr. Jessica Lougheed.
- 2018 September -  
2018 November      Paid assistantship to code articles for a meta-analysis regarding the relationship between teacher-child relationship, peer relationship, and child behavior under the supervision of Dr. Hinke Endedijk at Utrecht University, the Netherlands.
- 2018 January -  
2019 May      Research Intern in the research project “The influence of honor mindset on moral clarity judgments in Dutch and Turkish adolescents” under supervision of Dr. Sheida Novin.
- 2017 February -  
2017 June      Research assistant in Child and Adolescent Development Lab (Dr. Başak Şahin-Acar) at Middle East Technical University, Ankara, Turkey
- 2016 October -  
2017 February      Research assistant at the Life-Span Development Lab (Dr. Emre Selçuk) at Middle East Technical University, Ankara, Turkey
- 2016 October -  
2017 June      Research assistant in the study of “How children regulate their emotions? The role of temperament and need for cognition” under the supervision of Dr. Başak Şahin-Acar at Middle East Technical University, Ankara, Turkey
- 2015 October -  
2016 February      Research assistant in the project "Longitudinal investigation of the effects of temperament, and care type on the developmental outcomes of infant and children who are under the care of social services." at (Developmental Psychology Lab - Dr. Sibel Kazak-Berument) at Middle East Technical University, Ankara, Turkey

## APPLIED INTERNSHIPS AND ASSISTANTSHIPS

---

- 2022 May -  
2023 March
- Paid Graduate Academic Assistantship, Psychology Department at University of British Columbia, Okanagan  
The Share Project
- This academic assistantship includes searching for ways of partnership building between the department and the community members as well as knowledge dissemination for the Psychology Department at the University of British Columbia, Okanagan. My responsibilities include coordination between community organizations and UBCO members, creating sustainable materials for the current future projects (e.g., mission statements, email templates, feedback surveys for organizations and academics), conducting a research study to understand the needs and perspectives of the Kelowna community organizations, and implementing the study results in our strategic plan for our future projects.
- 2016 October -  
2017 December
- Association for Solidarity with Asylum Seekers and Migrants, Ankara, Turkey  
Psychology Intern at Child and Family Support Center
- The internship consisted of developing and applying projects regarding gender equality and discrimination against children, attending family seminars conducted by the center's psychologist, and review of individual cases with the center's psychologists.
- 2015 June -  
2015 August
- Color Land Nursery School, İzmir, Turkey  
Psychology Intern
- The internship included observing the application of developmental screening tests, attending family interviews as an observer conducted by the psychologist with the permission of the parent, observing the inclusion process of two inclusive students with autism and mental retardation, and making a project to recognition of primary and secondary emotions in the scope of the internship related under supervision of the psychologist.

## TEACHING EXPERIENCE

---

- Graduate Teaching  
Assistant
- September 2023 – April 2024  
Department of Psychology, University of British Columbia Okanagan
- Adolescent Development (PSYO322)  
Health Psychology (PSYO348)
- September 2022 – April 2023  
Department of Psychology, University of British Columbia Okanagan
- Family Processes (PSYO380J) Socioemotional  
Development (PSYO380S) Adolescent  
Development (PSYO322)  
Introduction to Psychology: Personal Functioning (PSYO121)
- September 2021 – April 2022  
Department of Psychology, University of British Columbia Okanagan
- Family Processes (PSYO380J) Socioemotional

Development (PSYO380S) Adolescent  
Development (PSYO322)

Instructor Summer 2022 and Summer 2023  
Department of Psychology, University of British Columbia Okanagan Attachment  
Across Life Span (PSYO380F)

I taught the Attachment Across Life Span course during the 2022 Summer 2 and 2023  
Summer 1 semesters. I developed this course myself. The course aims to cover the  
history of attachment theory; attachment from infancy to adulthood; attachment to  
different attachment figures such as main caregivers, parents, peers, romantic partners,  
and teachers; relations between attachment and other developmental outcomes;  
intergenerational transmission of attachment; cross-cultural studies of attachment; and  
critiques of attachment theory and new directions.

Guest Lecturer Winter I 2021 and Winter I 2022  
Department of Psychology, University of British Columbia Okanagan  
Socioemotional Development (PSYO380S)  
“Attachment Theory”

Winter I 2021  
Department of Psychology, University of British Columbia Okanagan Adolescent  
Development (PSYO322)  
“Autonomy Development in Adolescence”

MPlus  
GitHub

## WORKSHOPS

---

September 2022 - Introduction to Quantitative Meta-Analysis  
December 2022 Online Asynchronous Workshop

June 2022 Analyzing Intensive Longitudinal Data Online  
Synchronous Workshop

- June 2021 Bayesian Statistical Modeling: A First Course and Bayesian Statistical Modeling:  
A Second Course  
Online Synchronous Workshop
- March 2021 Participant, Modern Longitudinal Data Analysis: Mixed Effects Models Using R  
Online Synchronous Workshop

## ACTIVITIES

---

- January 2023 Invited Speaker in the Department of Psychology Speaker Series at UBCO  
“The Share Project: Collaboration with Community Organizations”
- April 2022 Invited Speaker in Career Event at Utrecht University, the Netherlands  
“Pathways to PhD”
- March 2022 Invited Speaker in the Department of Psychology Brown Bag Lunch  
Series at UBCO  
““What I Have Learned about Emotion Research through my  
Comprehensive Exam Projects””
- March 2022 Volunteer Judge at Undergrad Psychology Conference, University of  
British Columbia
- 2014-2017 Middle East Technical University Psychology Club Member of Management
- 2012-2017 Middle East Technical University Psychology Club Member
- 2012-2016 Member of Middle East Technical University Karate-Do Team
- 2012-2013 Volunteer of İKYAR ( İlköğretim Okulları için Yardım Vakfı/ Aid Foundation  
for Elementary Schools)
